Dancin in the Rain Intro G G/f# C G C C/b Am G /c G

G G/f# C G
I used to be a young man and I lived a young mans dreams
G C b G c/G
I used to think that love was all you need
G G/f# C G
And the things I took for granted never seemed too hard to take
G C b G c/G
And there were warning signs I know I didn't heed
C b Am G
And I'd be holding on when hope was gone cursing at the rain
C b Am D
When every fear I'd ever fought I' thought I'd never tame
G C
And in all that I have learned there's a lot I still don't know
G D
Ah but through it all one simple truth remains
G C
Life ain't about waiting for the storm to pass
G D C .....G
You gotta learn how to dance in the rain
G D C ,,,,,,G
You gotta learn how to dance in the rain

G G/f# C G
I'd heard a distant thunder under heavy skies
G C b G c/G
I had longed for shelter in the storm
G G/f# C G
I had sought a refuge harboured safe in love
G C b G c/G
When every sail I'd set was badly torn
C b
Ah but harbour lights can shine so bright
Am G
When shadows kill the moon
C b
And just when shelter seems so close
Am D
Can vanish all too soon
G C
And in all that I have learned there's a lot I still don't know
G D

Ah but through it all one simple truth remains
G C
Life ain't about waiting for the storm to pass
G D C .....G
You gotta learn how to dance in the rain
G D C ,,,,,,G
You gotta learn how to dance in the rain

G G/f# C G
They say that times a healer scars will disappear
C b G c/G
The heartaches prove what lasting love is worth
G G/f# C G
Oh but when your glass is empty and all you catch is rain
C b G c/G
It's hard to tell a blessing from a curse
C b
Oh but life's a game and loves a flame
Am G
That falters in the wind
C b
But I'll take a chance that love can grant
Am D
So let the dance begin

G C
And in all that I have learned there's a lot I still don't know
G D
Ah but through it all one simple truth remains
G C
Life ain't about waiting for the storm to pass
G D C .....G
