

# A Face In The Crowd - Tom Petty

Key of G

Em// C// (x2) (with riff)

Before all of this,	ever went down
In another place,	another town
You were just,	a face in the crowd
You were just,	a face in the crowd
Out in the street,	walking around
A face in the crowd	
Out of a dream,	out of the sky
Into my heart,	into my life
And you were just,	a face in the crowd
You were just,	a face in the crowd
Out in the street,	thinking out loud
A face in the crowd	

## Interlude

C// D// (x2)

Out of a dream,	out of the sky
Into my heart,	into my life
And you were just,	a face in the crowd
You were just,	a face in the crowd
Out in the street,	walking around
