G D7 G6 G  
Around the world I've searched for you;  
G6 Fdim  
I traveled on when hope was gone  
Am7 D7  
To keep a rendezvous.  
Am7 D7 Am7 D7  
I knew somewhere, sometime, somehow,  
Am D9  
You'd look at me and I would see  
G6 G D7  
The smile you're smiling now.

G D7 G6 G  
It might have been in County Down,  
G6 Fdim  
Or in New York, or gay Paree,  
Am  
Or even London town.  
C6 Gdim G Bm5-/7 E  
No more will I go all around the world  
Am7 D7 G  
For I have found my world in you.

Sung twice with humming verse in the middle
