

Burn For You

Ross Fraser, John Farnham, Phil Buckle

(C) Got my(D)self into some (Em) trouble tonight

(C) Guess I'm just (D) feelin' (G) blue

It's been (C) so (D) long since I've (Em) seen your face

This (Am) distance bet(G)ween me and (D) you

(C) That voice you (D) show me's not the (Em) one that I know

I must be (C) strung out on (D)what I (G) do

(C) (D) Don't hang (Em) up again

There's nothing (Am) else I (G) know how to (D)do

(C) Burn (D) for (Em) you, (C) what am I (D) gonna do?(Em)

(C) Burn (D) for you (Em) (C) burn (D) for you(G)

(C)I guess it (D) feels like you're (Em) always alone

And (C) I feel (D) that way (G) too

It's (C) so (D) hard to ex(Em)plain to you,

(Am) Please under(G)stand what I (D) do

(C) Burn (D) for (Em) you, (C) what am I (D) gonna do?(Em)

(C) Burn (D) for you (Em) (C) burn (D) for you(G)

(Am) Took my trouble to a (D)bar tonight

For (G) another point of (Em)view

But there's (C)no(Bm)thing (Am) new, I'm (D)missing you

(C) Burn (D) for (Em) you, (C) what am I (D) gonna do? (Em)

(C) Burn (D) for you (Em) (C) burn (D) for you(G)

C D Em7

I burn..... for..... you
