

Cold Water

Tom Waits

[D] [D] [D] Well I [D] woke up this mornin' with the [D] cold water
With the [A] cold water, with the [D] cold water
[D] Woke up this mornin' with the [D] cold water
With the [A] cold water, with the [D] cold [D]
Well the [D] po-lice at the station and they [D] don't look friendly
Well they [A] don't look friendly, well they [D] don't look friendly
[D] Po-lice at the station and they [D] don't look friendly
Well they [A] don't look friendly, well they [D] don't

[G] Blind or crippled, [G] sharp or dull
I'm [D] reading the Bible by a [D] forty watt bulb
[G] What price freedom, [G] dirt is my rug
Well I [D !] sleep like a baby with the [A] snakes and the bugs

Well the [D] stores are open, but I [D] ain't got no money
Well I [A] ain't got no money, well I [D] ain't got no money
[D] Stores are open but I [D] ain't got no money
Well I [A] ain't got no money, well I [D] ain't
[D] Found an old dog, and he [D] seems to like me
[A] Seems to like me, well he [D] seems to like me
[D] Found an old dog and he [D] seems to like me
Well [A] seems to like me, well he [D] seems

[G] Seen them fellows with the [G] card board signs
[D] Scrapin' up a little money to buy a [D] bottle of wine
[G] Pregnant women and the [G] Vietnam vets I say
[D !] Beggin' on the freeway 'bout as [A] hard as it gets

Well I [D] slept in the graveyard, it was [D] cool and still
[A] Cool and still, it was [D] cool and still
[D] Slept in the graveyard, it was [D] cool and still
[A] Cool and still and it was [D] cool

[G] Slept all night in the [G] Cedar grove
I was [D] born to ramble, [D] born to rove
[G] Some men are searchin' for the [G] Holy Grail
But there [D !] ain't nothin' sweeter than [A] ridin' the rails

Instrumental over verse

[G] I look forty-seven but I'm [G] twenty-four
Well they [D] shooed me away from here the [D] time before
[G] Turned their backs and they [G] locked their doors
I'm watching [D !] TV in the window of a [A] furniture store

And I woke [D] up this mornin' with the [D] cold water
With the [A] cold water, with the [D] cold water
I [D] woke up this mornin' with the [D] cold water
With the [A] cold water, with the [D] cold

[No Strumming Singing and tapping only]

And I woke up this mornin' with the cold water
With the cold water, with the cold water
I woke up this mornin' with the cold water With the cold water, with the cold

Oh well I [D] woke up this mornin' with the [D] cold water
[A] Cold water, with the [D] cold water
[D] Woke up this mornin' with the [D] cold water
[A] Cold water, with the [D] cold [D ! ! !]
