

Desmond

[A] Desmond had a good idea for [E] Queenscliff town
Get the music happening [A] here

[A] Desmond talked to [A7] people and we're [D] Shedding bound
He [A] told us we would [E] have to perse-[A] -vere

[A] Shed the Blues, Shed the Blues, Shed the Blues [F#m] Yeah

[A] Living life with-[E] -out a [A] frown

[A] Shed the Blues, Shed the Blues, Shed the Blues [F#m] Yeah

[A] All the boys are [E] back in [A] town

[A] Desmond gets us playing but it's [E] more than that
Connecting guys from the Bellar-[A] -ine

[A] Can't sing, [A7] we don't care just [D] have a chat
Just turn [A] up, and [E] tell us what you've [A] seen

[A] Shed the Blues, Shed the Blues, Shed the Blues [F#m] Yeah

[A] Living life with-[E] -out a [A] frown

[A] Shed the Blues, Shed the Blues, Shed the Blues [F#m] Yeah

[A] All the boys are [E] back in [A] town

[D] It's a couple of years since he got us boys a-[A]-round [Asus2] [A][A7]

[D] No pandemic around the world

Could [A] slow young Desmond [E] down

We [A] thought we were happy in the [E] RSL

But Desmond's always seeking something [A] new

[A] Tuneup came a-[A7] -long and we [D] thought "Oh Hell"

From [A] there, it just [E] grew and grew and [A] grew

[A] Shed the Blues, Shed the Blues, Shed the Blues [F#m] Yeah

[A] Living life with-[E] -out a [A] frown

[A] Shed the Blues, Shed the Blues, Shed the Blues [F#m] Yeah

[A] All the boys are [E] back in [A] town

[D] In a couple of years who knows where we will [A] be [Asus2] [A] [A7]

When [D] Desmond is keen and he's leading the way

Maybe [A] star on M.T.[E] V.

[A] Happy ever after on the [E] Bellarine

Desmond has turned our lives a-[A] -round

Our [A] mental health is [A7] fine and we [D] all are keen

[A] Using all the [E] new skills we have [A] found

[A] Shed the Blues, Shed the Blues, Shed the Blues [F#m] Yeah

[A] Living life with-[E] -out a [A] frown

[A] Shed the Blues, Shed the Blues, Shed the Blues [F#m] Yeah

[A] All the boys are [E] back in [F#m] town

And if you [F#m] want some fun... [E] come and shed the [A] blues
