

Dirty Rain

Ryan Adams

[D] [G] x 4

[D] Last time I was here it was raining
It ain't [G] raining anymore [D]

[D] The streets were drowning and the water's waning
All the [G] ruins washed a-[A] -shore
Now I'm [Bm] just looking through the [F#m] rubble
Try to [G] find out who we [D] were
Last [D] time I was here it was raining
It ain't [G] raining anymore [D]

[D] Last time I was here you were waiting
You're [G] not waiting anymore [D]

[D] The window's broke and the smoke's escaping
All the [G] books scattered across the [A] floor
And the [Bm] church bells are ringing through the [F#m] sirens
And your [G] coat was full of bullet [D] holes
Last [D] time I was here you were waiting
You ain't [G] waiting anymore [D]

[G] So [G] May the wind blow
[G] May the moonlight know your [D] name
[G] So [G] Let the needle move the record 'round
[A] Til the walls cave in
You and I were out there dancing In the dirty [D] rain

[D] Last time I was here it was raining
Like you [G] ain't never seen it [D] rain
And your [D] eyes were filled with terror
And the [G] smoke from the gaso-[A] -line
As the [Bm] stars exploding with gun-[F#m] -fire
I saw you [G] smiling just be-[D] -fore
Last [D] time I was here you were crying
You not [G] crying anymore [D]

[G] So [G] May the wind blow
[G] May the moonlight know your [D] name
[G] So [G] Let the needle move the record 'round
[A] Til the walls cave in
and you and I were out there dancing In the dirty [D] rain
[D] Mmm [C] dirty [G] rain
[D] In the [C] dirty [G] rain [D] [C] [G]
