

Fly Away Home

Ozark Mountain Daredevils

[G] [D] [C] [G] x4

[G] Standin' in the trees I get [D] lifted by the leaves
And [C] carried away by the [G] wind
[G] Turning around I touch [D] down on the ground
And then I'm [C] drifted away a-[G] -gain

You've got to [C] fly away on [G] home
Hallelujah, [C] fly a-[G] -way
[C] Fly away on [G] ho-[Em] -me
And get [C] carried away by the [G] wind

[G] [D] [C] [G] x2

[G] Looking out my window
Re-[D] -flections of a rainbow
As that [C] evening rain comes [G] down
[G] Trumpets start to blowin'
When them [D] stars start glowin'
And my [C] head gets lost in the [G] sound

You've got to [C] fly away on [G] home
Hallelujah, [C] fly a-[G] -way
[C] Fly away on [G] ho-[Em] -ome
When that [C] evening rain comes [G] down

[G] [D] [C] [G] x2

You've got to [C] fly away on [G] home
Hallelujah, [C] fly a-[G] -way
[C] Fly away on [G] ho-[Em] -ome
When that [C] evening rain comes [G] down

And let your [C] head gets lost in the [G] sound
When that [C] evening rain comes [G] down, [C] fly a-[G] -way
