[Em]

[Em] If you're travelin' in the [C] north country [G] fair,
[Em] Where the winds hit heavy on the [C] border [G] line,
[Em] Remember me to [C] one who lives [G] there.
[Em] She once was a [C] true love of [G] mine.

[Em] Well, if you go when the [C] snowflakes [G] storm,
[Em] When the rivers freeze and [C] summer [G] ends,
[Em] Please see if she has a [C] coat so [G] warm,
To [Em] keep her from the [C] howlin' [G] winds.

[Em] Please see for me if her [C] hair hangs [G] long,
[Em] If it rolls and flows all [C] down her [G] breast.
[Em] Please see for me if her [C] hair hangs [G] long,
[Em] That's the way I re-[C]-member her [G] best.

[Em] I'm a-wonderin' if she re-[C]-members me at [G] all.
[Em] Many times I've [C] often [G] prayed
[Em] In the darkness [C] of my [G] night,
[Em] In the brightness [C] of my [G] day.

[Em] So if you're travelin' in the [C] north country [G] fair,
[Em] Where the winds hit heavy [C] on the border [G] line,
[Em] Remember me to [C] one who lives [G] there.
[Em] She once was a [C] true love of [G] mine.

[Gm] Remember me to [Eb] one who lives [Bb] there.
[Gm] She once was a [Eb] true love of [Bb] mine.
