

Grandpa's Song

Vika and Linda

[D] [A] [Bm] [G]
[D] [E] [A] [A7]

You were standing [D] there, [A] years a-[Bm] -go
[G] Waiting so [D] patiently, to [E] take [A] me home [A7]
And as you held out your [D] hand, [A] I'll never[Bm] forget
[G] I walked right [D] by you, [E] this day I [A] regret [A7]

I had [F#] fire in my heart and you [Bm] knew [A] it
[G] I was [D] like you, [G] so much [D] like you [A]

As I marched a-[D] -long, [A] five paces a-[Bm] -head
[G] You had a [D] smile for me, [E7] I still can't [A] forget [A7]
Still I wanted to [D] walk, [A] on my [Bm] own
[G] You were there to pro-[D] -tect me, [E] on my [A] way home [A7]

Time has [F#] gone, and it's taken you [Bm] with [A] it
[G] I miss you [D] so, [G] this much [D] I know [A]

[D] [A] [Bm] [G]
[D] [E] [A] [A7]

Now I look [D] back, [A] on all that I've [Bm] done [G]
I hope you've for-[D] -given me, [E7] see I was so [A] young [A7]
I have [D] grown, [A] I now walk a-[Bm] -lone [G]
I feel you be-[D] -side me, [E] still guiding me [A] home [A7]

I had [F#] fire in my heart and you [Bm] knew [A] it
[G] I was [D] like [G] you, so much [D] like you [A]

Time has [F#] gone, and it's taken you [Bm] with [A] it
[G] I miss you [D] so, [G] this much I [D] know
[G] I miss you [D] so, [G] now that [D] I know [G]

[D] [G] [D] [G] [D] [G] [D] [G]
