[Em] Harley and [C] Rose were reu-[Em]-nited,
 [C] this time they said it was for [G] real
 [Em] She'd take him [C] back to where it [Em] started,
 [C] He would melt her heart of [G] steel
 [Em] Life is a [C] bitter disap-[Em]-pointment,
 she would [C] hear young Harley [G] say
 If you [Em] find some-[C]-thing more im-[Em]-portant,
 [C] I will not stand in your [G] way.

Like [D] static on a [G] dial, a [D] look comes back in [G] style
 [C] Harley and Rose they just [D] lost it for a [G] while

[Em] Harley [C] claimed there was no [Em] lover,
 [C] nothing blooms this time of [G] year
 While [Em] Rose was [C] thinking of an-[Em]-other,
 [C] she did not see him disap-[G]-pear

Like [D] static on the [G] dial, a [D] look comes back in [G] style
 [C] Harley and Rose they just [D] lost it for a [G] while
 Like [D] tumblin' down the [G] aisle, a [D] half forgotten [G] smile
 [C] Harley and Rose they just [D] lost it for a [G] while.

[Bm] You know we all can change di-[C]-rection,
 [D] ain't nothing to it just re-[C]-lax
 [B] He adds one more to his col-[C]-lection,
 [D] she strikes another useless match

[Em] Harley was [C] dreamin of his [Em] funeral,
 as [C] customary he was [G] late
 But [Em] just in [C] time to see young [Em] Rosie,
 [C] lay her flowers at the [G] gate

Like [D] static on the [G] dial, a [D] look comes back in [G] style
 [C] Harley and Rose they just [D] lost it for a [G] while
 Like [D] tumblin' down the [G] aisle, a [D] half forgotten [G] smile
 [C] Harley and Rose they just [D] lost it for a [G] while.
