

## Hometown Calling

Travis Collins

[E] [B] [C#m] [A]

[E]I drove the school bus, I coached a team

[C#m]I stitched your clothes when they [A]tore at the seams

[E]I brewed your coffee, I cut your lawn

I [C#m]picked up your garbage every [A]Monday at dawn

[E]I did your laundry, [B]I cashed your cheques

I [C#m]fixed the dents in the [A]car that you wrecked

[E]I bagged your groceries, I poured your beer

And [C#m]I nursed your Grandma till she [A]ran out of years

[F#m] Then I watched you dis[B]appear [B]

## Chorus

Yeah this is your [E]hometown calling

Come back I need you

[C#m]People are leaving, they're clos[A]ing the store

It's your [E]hometown fallin', feeling forgotten

Nob[C#m]ody's raising our [A]flag anymore

And the [E]bell on that old church[B] ain't been rung in [C#m]years

[A] This is your home[F#m]town calling

[A]Come back, I need you here [A]

[E] [E] [C#m] [A]

[E]I taught your children, I baked your bread  
I [C#m]rented that room when you [A]needed a bed  
[E]I hired your movies, I borrowed your books  
I [C#m]sorted you out with [A]sinkers and hooks  
I [E]filled your prescriptions, I [B]changed your tyres  
I [C#m]risked my life to keep you [A]safe from fire  
I [E]delivered your mail, I gave you a career  
I [C#m]sold your house and I [A]packed up your gear  
And [F#m]I drove the truck that shipped you [B]outta here [B]

### **Chorus**
