

# I Remember When I Was Young - Chain Matt Taylor

Well I re-[E7]-member when I was young,  
the [G7] world had just be-[A7]-gun and I was [E7] happy.  
I used to [E7]wonder about the earth  
and how it [G7] moved around the [A7] sun so [E7] snappy.  
Imagi-[E7]-nation going wild  
makes a [G7] very backward [A7] child they [E7] told me.  
So back at [E7] school I'd sit around  
just [G7] waiting for the [A7] sound so I could [E7] go home.

[A9] Sometimes I think about it, it happens everyday[A9] . [A#9] [B9]  
[B9] I should think of the present, 'cause the presents [B7#5] now.

Well I re-[E7]-member when I was young,  
how [G7] one and thrippence [A7] got ya to the [E7] movies.  
To look [E7] tough we'd light a smoke  
and [G7] very nearly [A7] choke but we had a [E7] real good time.  
Growing [E7] older meant you'd get to [G7] fly a Sabre [A7] jet  
and fight a [E7] few wars.  
So I'd [E7] just sit there all day  
and [G7] let my mind de-[A7]-cay something [E7] awful.

[A9] Sometimes I think about it, it happens everyday[A9] . [A#9] [B9]  
[B9] I should think of the present, 'cause the presents [B7#5] now.

Well I re-[E7]-member when I was young  
I [G7] had a secret [A7] love who never [E7] knew it.  
Well I'd do [E7] tricks upon my bike  
that [G7] never turned out [A7] right, I always [E7] blew it.  
And the [E7] day we had to part,  
I [G7] had a broken [A7] heart but couldn't [E7] let on.  
So I [E7] spent my holidays  
just [G7] thinking of the [A7] ways I musta [E7] gone wrong.

[A9] Sometimes I think about it, it happens everyday[A9] . [A#9] [B9]  
[B9] I should think of the present, 'cause the presents [B7#5] now.

## I Remember When I Was Young - Chain Matt Taylor

Well I re-[E7]-member when I was young  
'The [G7] Beatles' turned me [A7] on, I really [E7] blew my mind.  
With [E7] Gary Jack and Pam we'd [G7] go and watch a [A7] band  
and have a [E7] real good time.  
Then I [E7] heard the black mans blues,  
it [G7] really blew a [A7] fuse in-[E7] side my head.  
So with some [E7] friends we made a stand  
and [G7] formed our first blues [A7] band, it was a [E7] real good thing.

[A9] Sometimes I think about it, it happens everyday[A9] . [A#9] [B9]  
[B9] I should think of the present, 'cause the presents [B7#5] now.

Well I re-[E7]-member when I was young,  
I re-[G7]-member when I was [A7] young I surely [E7] do.  
Well I re-[E7]-member when I was young,  
I re-[G7]-member when I was [A7] young I surely [E7] do.
