[A] Living down in Memphis back in seventy-five  
 [A] We were scuffling hard just barely staying alive  
 [D] Money's kind of scarce when you're... just an opening [A] act  
 [E7] Last thing on my mind was a [D] Fleetwood Cadil-[A]-lac [A]

We were [A] cruising downtown Just on a Sunday drive  
 I [A] looked out on a car lot and something caught my eye  
 It was [D] baby blue, had a Rolls Royce grille  
 A [A ! ] continental kit and silver spokes on the wheels  
 I [D] put some money down told the man I would be [A7] back  
 I [E7] knew I had to have that [D] Fleetwood Cadil-[A]-lac

**Instrumental:**

[A] Living down in Memphis back in seventy-five  
 [A] We were scuffling hard just barely staying alive  
 [D] Money's kind of scarce when you're... just an opening [A] act  
 [E7] Last thing on my mind was a [D] Fleetwood Cadil-[A]-lac [A]

I [A] drove it up to Nashville, I was feeling kinda proud  
 But the [A] 'billies said it's gaudy,... just too loud  
 [D] That's alright... I was willing to take a little [A] flak  
 You [E7] do what you must do for a [D] Fleetwood Cadil-[A]-lac

But it was [A] just too long wouldn't fit in my garage  
 Uncle [A] Sam was in the distance, it was not a mirage  
 [D] Said he needed money for some previous income [A] tax  
 Oh I [E7] had to let it go  
 But now I [D] want my Fleetwood [A] back

**Instrumental:**

[A] Living down in Memphis back in seventy-five  
 [A] We were scuffling hard just barely staying alive  
 [D] Money's kind of scarce when you're... just an opening [A] act  
 [E7] Last thing on my mind was a [D] Fleetwood Cadil-[A]-lac [A]

The [A] new cadillacs, it's hard to even tell 'em  
 The [A] colors ain't too cool and they're shaped like a watermelon  
 If they [D] give me one I don't think I would even re-[A]-act  
 [E7] One thing on my mind [D] I want my Fleetwood [A] back [A]  
 [E7] One thing on my mind [D] I want my Fleetwood [A] back [A]  
 [E7] One thing on my mind [D] I want my Fleetwood [A] back [A ! ]
