

If I Didn't Have A Dime**Gene Pitney**

[G] If I didn't have a dime and I didn't take the time
To play the [C] jukebox
Whoa-o-o [G] Saturday night would'a been a
[D7] Sad and lonely night for [G] me

And if you [G] weren't standing there
Ruby lips and golden hair beside the [C] jukebox
Whoa-o-o [G] I'd have lost my chance to
[D7] Hold you while you danced with [G] me [D7] umm [G] hum

While the records [D7] turned and turned
We danced and learned our [G] hearts had yearned for this
[G] Neath the moon we [D7] walked and walked and
Talked of love and [G] then we [D7] kii-[A7]- iiiii-[D7]-iissed

Now with [G] every sweet caress
Oh my darlin' how I blessed that little [C] jukebox
Whoa-o-o [G] love songs that they sing
[D7] Wouldn't mean a single thing

Even [G] though you're standing there
Ruby [D7] lips and golden hair
If I [G] didn't have a dime
And I [D7] didn't take the time [D7 !] to play the [G] jukebox

And if you weren't standing there
Ruby lips and golden hair beside the [C] jukebox
Whoa-o-o [G] I'd have lost my chance to
[D7] Hold you while you danced with [G] me [D7] umm [G] hum

While the records [D7] turned and turned
