[C] [F] [C] [G]

[C] Ingrid [F] Bergman, [C] Ingrid [G] Bergman  
[C] Let's go [F] make a [C] picture [G]  
[C] On the [F] island [C] of Strom-[G] -boli  
[C] [F] Ingrid [C] Bergman [G]

[C] Ingrid [F] Bergman, [C] you're so [G] perty  
[C] You'd [F] make any [C] mountain [G] quiver  
[C] You'd make [F] fire fly [C] from the [G] crater  
[C] [F] Ingrid [C] Bergman (d / e)

[F] This old mountain it's been waiting  
[C] All its life for you to work it  
[F] For your hand to touch its hard rock  
[C] [F] Ingrid [C] Bergman [G]  
[C] [F] Ingrid [C] Bergman [G]

[C] If you'll [F] walk a-[C] -cross my [G] camera,  
[C] I will [F] flash the [C] world your [G] story,  
[C] I will [F] pay you [C] more than [G] money  
[C] [F] Ingrid [C] Bergman [G]

[C] Not by [F] pennies [C] dimes nor [G] quarters  
[C] But with [F] happy [C] sons and [G] daughters  
[C] And they'll [F] sing a-[C] -round Strom-[G] -boli  
[C] [F] Ingrid [C] Bergman (d / e)

[F] This old mountain it's been waiting  
[C] All its life for you to work it  
[F] For your hand to touch its hard rock
