

**It Takes A Lot To Laugh** Bob Dylan

[G#] [G#]  
Well, [G#] I ride on a mail-train  
[C#] I can't buy no [G#] thrill  
[G#] I've been up all night  
Just [C#] leanin' on the window-[G#] -sill  
Well, if I [F#] die  
On [C#] top of the [D#] hill  
And if [G#] I don't make it  
[G#] You know my baby will

Well, [G#] don't the moon look good, mama  
[C#] Shinin' through the [G#] trees?  
[G#] And don't the brakeman look good, mama  
[C#] Flagging down the "Double [G#] E"?  
And don't the sun look [F#] good  
Settin' [C#] down over the [D#] sea?  
And don't my [G#] little gal look fine  
When she's [C#] comin' after [G#] me?  
[G#] Now, come on

**Guitar Solo over verse** [G#] [C#] [G#] [C#] [G#]  
[F#] [C#] [D#] [G#] [C#] [G#]

[G#] Now, wintertime is coming  
The [C#] windows are covered in [G#] frost  
[G#] I went to tell everybody  
But I [C#] could not get a-[G#] -cross  
Well, I wanna be your [F#] lover, babe  
[C#] I don't wanna be [D#] your boss  
Don't [G#] say I never warned you  
[C#] When your train gets [G#] lost, yeah

**Harmonica Solo over verse** [G#] [C#] [G#] [C#] [G#]
