

Its Late by Rick Nelson - 1959

[D]It's late (it's late) We gotta [G]get on [D]home

[D]It's late (it's late) We've been [A7]gone too [D]long

[D]Too bad (too bad) We should've [G]checked our [D]time

[D]Can't phone (can't phone) We done [A7]spent every [D]dime

[D]It's late (it's late) We're 'bout to [G]run outta [D]gas

[D]It's late (it's late) We gotta [A7]get home [D]fast

[D]Can't speed (can't speed) We're in a [G]slow-down [D]zone

Baby, [D]look at that clock, why [A7]can't it be [D]wrong?

If we [G]could've left home at a [D]quarter to nine

[A7]Would've had fun and [D]plenty of time

[G]We got started just a [D]little bit late

[E]Hope this won't be [A7] our last date

[D]Look up (look up) Is that the [G]moon we [D]see?

[D]Can't be (can't be) Looks like the [A7]sun to [D]me

[D]It's late (it's late) I hate to [G]face your [D]Dad

[D]Too bad (too bad) I know he's [A7]gonna be [D]mad

[D]It's late (it's late) We gotta [G]get on [D]home
