I've [C] never seen you looking so [Am] lovely as you did to-[G] -night,  
I've never seen you shine [Am] so bright, m [G] m m [F] m.

I've [C] never seen so many men

[Am] ask you if you wanted to [G] dance,  
They're looking for a little ro-[Am] -mance, given [G] half a [F] chance,  
And I have [Dm] never seen that dress you're wearing,  
Or the [G] highlights in your hair that catch your [Am] eyes,  
I [F] have been [G] blind,

The lady in [C] red [Em] [F] is [G] dancing with [Am] me,  
[G] cheek to [Am] cheek,  
There's nobody [F] here, [G] it's just you and [C] me, [Em]  
It's where I want to [C7] be,  
But I hardly [F] know [E] this beauty by my [Am] side, [G] [F]  
I'll never for-[Dm]-get [G] the way you look to-[C]-night [Am] [G] [G]  
[C] [Am] [G] [G]

And I have [Dm] never had such a feeling,  
Such a [G] feeling of complete and utter [Am] love, as I [F] do to-[G]-night,
