Let the Franklin Flow   Shane Howard

[G]Oh Tas-[C]-mani-[G]-a
The [C]hardest heart could [Am]under-[D]-stand
[G]Just to feel your [C]wilder-[G]-ness
Your [C]silence [D]sings to [G]me

    So [G]let the Franklin flow
    Let the [C]wild lands [G]be
    The [C]wilderness should be [Am]strong and [D]free
    From [G]Kuta Kina to the [C]south-west [G]shore
    [C]Has to be something worth [D]fighting [G]for

We [G]fell the forests and we [C]scar the [G]land
[C]Has to be something worth [Am]fighting [D]for
And [G]desecrate it with [C]greedy [G]hands
De-[C]-stroy the beauty that [D]nature [G]planned

    So [G] let the Franklin flow
    Let the [C] wild lands [G] be
    The [C] wilderness should be [Am] strong and [D] free
    From [G] Kuta Kina to the [C] south-west [G] shore
    [C] Has to be something worth [D] fighting [G] for

A [G]thousand people ar-[C]-rested and [G]bailed
[C]Has to be something worth [Am]fighting [D]for
[G]Voices crying in the [C]wilder-[G]-ness
Saying [C]this is something worth [D]fighting [G]for

[G]Oh Tas-[C]-mani-[G]-a
The [C]hardest heart could [Am]under-[D]-stand
[G]Just to feel your [C]wilder-[G]-ness
Your [C]silence [D]sings to [G]me
