

# Let Your Love Flow

Bellamy Brothers

[A] [A]

[A] There's a reason for the sunny sky

[A] There's a reason why I'm feeling so high

Must be the [E7] season when that love light shines all [A] around us

[A] So let that feeling grab you deep inside

[A] And send you reeling where your love can't hide

And then go [E7] stealing through the moonlit night with your [A] lover

Just let your [D] love flow like a mountain stream

And let your [A] love grow with the smallest of dreams

And let your [E7] love show and you'll know what I mean, it's the [A] season

Let your [D] love fly like a bird on the wing

And let your [A] love bind you to all living things

And let your [E7] love shine

and you'll know what I mean, that's the [A] reason

[A] There's a reason for the warm sweet nights

[A] And there's a reason for the candle lights

Must be the [E7] season when those love lights shine all [A] around us

[A] So let that wonder take you into space

[A] And lay you under its loving embrace

Just feel the [E7] thunder as it warms your face you can't hold [A] back

Just let your [D] love flow like a mountain stream

And let your [A] love grow with the smallest of dreams

And let your [E7] love show

and you'll know what I mean, it's the [A] season

Let your [D] love fly like a bird on the wing

And let your [A] love bind you to all living things

And let your [E7] love shine

and you'll know what I mean, that's the [A] reason

Just let your [D] love flow like a mountain stream

And let your [A] love grow with the smallest of dreams

And let your [E7] love show

and you'll know what I mean, it's the [A] season

(Fading) Let your [D] love fly like a bird on the wing

And let your [A] love bind you to all living things

And let your [E7] love shine

and you'll know what I mean, that's the [A] reason [A > ]
