

Life On Earth Snow Patrol **CAPO 1**

[Asus2] [Em] [G] [Asus2] [Asus2] [Em] [G] [Asus2]

The [Asus2] first snow, first winter of [Em] my life
I was [G] told it was the height of [Asus2] me
The [Asus2] first dance, well the first one that [Em] counted
Felt like my [G] blood was built from crackling [Asus2] lights

[Asus2] Oh this ancient [Em] wildness
That [G] we don't under-[Asus2] -stand
The [Asus2] first sound of a [Em] heartbeat
To [G] riots roaring [Asus2] on

Chorus: [Asus2] This is not a love you've had be-[Em] -fore
This is something else, [G] this is something else [Asus2]
[Asus2] This is not the same as other [Em] days
This is something else, [G] this is something else [Asus2]

It [Asus2] shouldn't need to be so fucking [Em] hard
This is life on earth, [G] it's just life on earth [Asus2]
It [Asus2] doesn't need to be the end of you, [Em] or me
This is life on earth, [G] it's just life on earth [Asus2]

[Asus2] [Em] [G] [Asus2]

The [Asus2] first light, first light on the [Em] silent shore
Just the [G] ships that anchor me and [Asus2] you
The [Asus2] way home, this is always the [Em] way home
So you can [G] rip that map to shreds, my [Asus2] dear

But [Asus2] all we ever [Em] wanted
Seem [G] miles and miles from [Asus2] here
In the [Asus2] first days in a [Em] strange new land
[G] We could be settl-[Asus2] -ers

Repeat Chorus

[Asus2] [Em] [G] [Asus2] [Asus2] [Em] [G] [Asus2]

It [Asus2] shouldn't need to be so fucking [Em] hard
This is life on earth, [G] it's just life on earth [Asus2]
It [Asus2] doesn't need to be the end of you, or [Em] me
This is life on earth, [G] it's just life on earth [Asus2]
