

Lime Juice Tub

When [G] shearing comes lay [D7] down your [G] drums
Step on the boards you [C] brand new [G] chums
With a ra-dum ra-dum [C] rub-a-dub-[G] dub
Send him home in a [D7] lime juice [G] tub

Chorus: Here we are in [D7] New South [G] Wales
Shearing sheep as [C] big as [G] whales
With a ra-dum ra-dum [C] rub-a-dub-[G] dub
We'll send you home in a [D7] lime juice [G] tub

Now you have crossed [D7] the briny [G] deep
You fancy you can [C] shear a [G] sheep
With leather necks and [C] daggy [G] tails
And hides as tough as [D7] rusty [G] nails

Repeat Chorus

There's brand new chums [D7] and cockies [G] sons
They fancy that they a[C] re great [G] guns
They fancy they can [D7] shear the [G] wool
But the buggers can only [C] tear and [G] pull

Repeat Chorus

They tar the sheep til [D7] they're nearly [G] black
Roll up roll up and [C] get the [G] sack
Once more we're away on the [C] Wallaby [G] track
More to look for [D7] work out [G] back

The very next job [D7] they under[G] take
Is to press the wool but [C] they make a [G] mistake
They press the wool [C] without any [G] bales
Shearing's hell in [D7] New South [G] Wales

And when they meet [D7] upon the [G] road
From off their backs [C] throw down their [G] load
And at the sun they'll [C] take a [G] look
Saying I reckon it's time to [D7] breast the [G] cook

Chorus: Here we are in Ne[D7] w South Wa[G] les
Shearing sheep as [C] big as [G] whales
With a ra-dum ra-dum [C] rub-a-dub-[G] dub
We'll send you home in a [D7] lime juice [G] tub!
