Well now I [A]found me a girl, it's a wonderful thing
I'm a-wearin' this smile, she's a-wearin' my ring
She's like a [D]talisman, some kind of mystical [A]pearl
She's my [E]dark angel, [D] my blue eyed [A]girl
Well it [A]could have gone wrong, and maybe even right
There's some kind of things a man can't fight
A [D]long story short, I'm all swept a-[A]-way
I ask her "[E]What's your name" she said [D] "Call me Miss Night and [A]Day"

That [A]girl can roll with me now, roll till the break of day
She can [D]roll like she wanna, any ol' kind of [A]way
When she go [E]rockin' round the clock I [D]call her Little Miss Night and [A]Day
Some-[A]-times she will, sometimes she won't
About the time she should, that's the time she don't
She's like the [D]moon, never ever stay one [A]way
She got the [E]rhythm and the blues, you got to [D]love Miss Night and [A]Day

Well it [A]might come heads, might be tails
But you go acting the fool she'll run you off of the rails
And then she [D]smiles, in that mischievous [A]way
That's when I [E]call her my flame her name is [D]Little Miss Night and [A]Day

Well she's [A]cool under fire, she can cover and duck
You think you got her in range, oh well, good luck
She's my [D]shotgun lover on that long high-[A]-way
She keeps her [E]eye on the street kids, they [D]call her Miss Night and [A]Day

She can [A]roll with you buddy, she can roll with you girl
[D]Whoo .. And roll it on down the [A]line
If she's not [E]battin' a thousand, she's [D]hittin' nine-ninety-[A]nine

She's a [A]mean mistreater, and my dungaree doll
She's a gone little queenie, and that ain't all
She puts the [D]top down, we're on the town, drivin' them blues a-[A]-way
Locked [E]down and loaded, [D] Miss Night and [A]Day

You better [A]roll with me girl, you better roll with me honey
You better [D]roll with me child, come on and [A]roll with now
She keep me [E]rockin' round the world [D]my Little Miss Night and [A]Day
