

Look towards the sun

INTRO D x 4 pressed D4 held [repeat]

V1

 D C D
We're just starting to see the sun
 C D
We've been in the dark so long that we can't remember how bright it can be
 C D
The skies are so brilliant blue not a cloud above to blacken its rays
 C Am D
Now we're just starting to see - the sun

V2

 C D
Radiation poisoning no way
 C D
We surely have the right to say what we want for our children to come
 C D
We're not pawns to the "Nuclear Kings" who decide if we should live or we shall die
 C Am D
Cos we're just starting to see - the sun

CHORUS

 F C G
Look towards the sun
 F C Am G
Feel the heat that radiates from it
 F C G
Let it become
 F C G
The force that drives us on
 F C G
I said look towards the sun

Instrumental D x 4 pressed D4 held [repeat]

V3

D C D
Millions of people can't be wrong

C D
But our voice falls upon the ears that are deafened by the sounds of power

C D
Let's raise up our voice for we are just as strong

C Am D
Now that we can see - the sun.

CHORUS

F C G
Look towards the sun

F C Am G
Feel the heat that radiates from it

F C G
Let it become

F C G
The force that drives us on

F C G
I said look towards the sun

Instrumental D x 4 pressed D4 held
Stop!
