

**Mississippi**

Pussycat

[D] [A] [D] [E]

[A] Where you can hear a country song from far  
and someone plays the honky-tonk gui-[E] -tar  
Where all the lights will go out one by [A] one  
the people join the [B] sun  
and the [B7] wind takes it a-[E] -way

Where the [A] Mississippi rolls down to the sea  
and lovers found the place they'd like to [E] be  
how many times before the song was [A] ending  
love and under-[E]-standing  
everywhere a-[A]-round

[A] Miii....iiii ... [E]-ssissippi,  
I'll remember [A] you, whenever I should go away  
[E] I'll be longing for the day  
that [B] I will be in Greenville a-[E]-gain [D] ..[C#m] . [B]

[A] Miii....iiii ... [E]-ssissippi,  
you'll be on my [A] mind  
[D] ... every time I hear this [A] song  
Mississippi roll a-[E]-long  
until the end of [A] time

[D] [A] [D] [E]

Now the [A] country song for ever lost its soul  
when the guitar player turned to rock & [E] roll  
and every time when summer nights are [A] falling  
I will always be [E] calling dreams of yester-[A]-day

[A] Miii....iiii ... [E]-ssissippi,  
I'll remember [A] you, whenever I should go away  
[E] I'll be longing for the day  
that [B] I will be in Greenville a-[E]-gain [D] ..[C#m] . [B]

[A] Miii....iiii ... [E] ssissippi,  
you'll be on my [A] mind  
[D] ... every time I hear this [A] song  
Mississippi roll a-[E]-long  
until the end of [A] time
