

Music Makes My Day

Marvin & Farrar 1971

[C]//// [Am]// [Dm] [G]

[C]Music makes my day

It warms an empty place when [Am]you're away

[Dm]Music makes my [G]day

[C]Love you are my song

Your melody's so soft

Your [Am]love so strong

[Dm]Love you are my [G]song

And though good fortune seems a long time [C]calling

[F]The sadness creeps into my [D]song

[G]My pearly friend will gently soothe me

And sing a[C!]long [Bb!]ong [G]////

[C]Music makes my day

It seems my waiting hours just [Am]fly away

[Dm]Music makes my [G]day

[C]If I lost my friend

Her loving words no more

My [Am]song would end

[Dm]If I lost my [G]friend

And though good fortune seems a long time [C]calling

[F]The sadness creeps into my [D]song

[G]My pearly friend will gently soothe me

And sing a[C!]long [Bb!]ong [G]////

[C]Music makes my day

It warms an empty place when [Am]you're away

[Dm]Music makes my [G]day

You know it [C]////makes it Ah.... [Am//]Ah.....
