

My Little Secret

Kev Sullivan 1995

Key: Em
80 BPM

Em **D**
There's this guy I went to school with;

Em **D**
The ugliest cat I ever saw,

Em **D**
He had a head like Liberace,

Em **D**
lots of hair, and pimples on his jaw.

Em **D**
I can still see him surrounded by my ex-girlfriends,

Em **D**
His long locks flowing in the breeze,

Em **D**
I always had this creeping urge to kill him,

Em **D**
See him crumble to his knees,

Chorus

C **D**
Perhaps I should let you into my little secret,

C **D**
Tell you how life has been unfair

Em **D**
I think I'm losing my hair, Whoa,

Em **D**
I think I'm losing my hair, (sob).

Verse

Em **D**
I'm not much into television,
Em **D**
But they do sell some really cool things,
Em **D**
Like I saw this guy & he had a toupee on,
Em **D**
And man it made his life really swing.
Em **D**
He had blonde bikinied beauties at his feet,
Em **D**
As he dove off a 30 foot tower,
Em **D**
His speedos were full and every air was neat,
Em **D**
He was the essence of youth and power.

Chorus

C **D**
So perhaps I should let you into my little secret,
C **D**
Tell you how life has been unfair
Em **D**
I think I'm losing my hair, Whoa,
Em **D**
I think I'm losing my hair, (sob)
D **Em**
I think I'm losing my hair
