North to Karumba: a parody of johnny horton's north to alaska, written by katherine mcmahon, sung by patrick mcmahon, guitar patrick mcmahon.

[C] When we left St Leonards in the [G] year of '2[C] 1
[F] We'd all been in lock down, and there was talk of another [G] one
We [F] hitched up the trailer, and went out on the [C] road
Leaving our loved ones at home, to [G] stay and bear the [C] load

Where the [C] weather is shining
Big [F] country we're finding
[C] North To Karumba, we're going [G] north the van is [C] on
Way up [C] north, way up [G] north,
[C] North To Karumba, we're going [G] north the van is [C] on

We [C] drove up through Wentworth, on the [G] way to Broken [G] Hill
We [F] camped at Menindee, where the lakes had had their [C] fill
Then [F] up to the Corner where the three states coin-[C] -cide
Feelin' so lucky it brought [G] tears to our [C] eyes

Where the [C] weather is shining
Big [F] country we're finding
[C] North To Karumba, we're going [G] north the van is [C] on
Way up [C] north, way up [G] north,
[C] North To Karumba, we're going [G] north the van is [C] on

[C] On up to Windorah, Be-[G]-dourie and the [C] rest
We [F] drove into Boulia with our kinfolk from the [C] west,
We [F] watched the racing camels, enjoyed each and every [C] day,
Til' our time there was over and we [G] had to say gid-[C] -day

Where the [C] weather is shining
Big [F] country we're finding
[C] North To Karumba, we're going [G] north the van is [C] on
Way up [C] north, way up [G] north,
[C] North To Karumba, we're going [G] north the van is [C] on
[C] North To Karumba, we're going [G] north the van is [C] on
[C] North To Karumba, we're going [G] north the van is [C] on
[G] North the van is [C] on
[G] North the van is [C!] on [G!] [C!]
