[D] [D] [C] [G] [D] [D] [C] [G]

[D] I'm feeling like a [D] captain, no [C] hull beneath my [G] deck  
 [D] Waves are [D] pounding my proud [C] ship to a [G] wreck  
 [D] Songs of the [D] sirens are still [C] ringing in my [G] ears  
 [D] I'm a weather worn [D] sailor,... [G] ..[A] feeling his [D] years

[D] I turned my back on fate but I [C] didn't have much to [G] say  
 [D] You cant ignore the [D] future if it's [C] blowing your [G] way  
 And I [D] threw out a life-[D] -line and I [C] prayed that it would [G] hold  
 [D] Then waited... [G] ...for the [A] storm to [D] blow.

[D] Ocean [G] deep, [D] time and tide won't [G] let a sailor [A] sleep  
 [D] Ocean never [G] ends, like a [A] tide I'll always roll out [D] again

[D] On the distant [D] horizon [C] there's a golden [G] beach  
 A [D] haven for [D] sailors, its [C] always out of my [G] reach  
 But as [D] long as there's an ocean, and a [C] strong steady [G] wind  
 [D] I'll sail the [D] sea forever... [G] ...no [A] land can lock me [D] in

[D] Ocean [G] deep, [D] time and tide won't [G] let a sailor [A] sleep
