Look out mama, there's a white boat coming up the river

F C Csus4 C
With a big red beacon and a flag and a man on the rail

F
I think you'd better call John

Em F
'Cause it don't look like they're here to deliver, the mail

Em F
And it's less than a mile away

Em F
I hope they didn't come to stay

Em F G
It's got numbers on the side and a gun and it's making big waves

Em F
And I just turned twenty-two

Em F
I was wondering what to do

Em F G

He said red means run son, numbers add up to nothing

When the first shot, hit the docks I saw it coming

Raised my rifle to my eye

Never stopped to wonder why

Then I saw black and my face, splashed in the sky

Shelter me from the powder and the finger

Cover me with the thought that pulled the trigger

Just think of me as one you'd never figured

Would fade away so young

With so much left undone

Remember me, to my love, I know I'll miss her
