

Rain

Jose Feliciano

[F#m] [F#m] [F#m] [F#m]

[F#m] Listen to the pouring rain, listen to it pour,
And with ev'ry drop of rain you know I love you more. [Bm]
Let it rain all night long, [F#m] let my love for you go strong;
[D] As long as we're together [Db] who cares a[Db7]bout the weather?

[F#m] Listen to the falling rain, listen to it fall,
And with ev'ry drop of rain, I can hear you [Bm] call,
Call my name right out loud, [F#m] I can hear above the clouds,
[Db7] And I'm here among the puddles, [D] you and I together huddle;
[Db7] Listen to the falling rain, listen to the [F#m] rain.

[E7] It's [A] rain[D]ing, it's [A] pour[D]ing, the [A] old [D] man is
[A] snor[D]ing, [A] went to [D] bed, and he [A] bumped his [D] head,
He [A] couldn't get [D] up in the [A] morn[Db7]i-i-i-i-ing. [F#m]

[F#m] Listen to the falling rain, listen to it fall,
And with ev'ry drop of rain, I can hear you [Bm] call,
Call my name right out loud, [F#m] I can hear above the clouds,
[Db7] And I'm here among the puddles, [D] you and I together huddle;
[Db7] Listen to the falling rain, listen to the [F#m] rain.

[E7] It's [A] rain[D]ing, it's [A] pour[D]ing, the [A] old [D] man is
[A] snor[D]ing, [A] went to [D] bed, and he [A] bumped his [D] head,
He [A] couldn't get [D] up in the [A] morn[Db7]i-i-i-i-ing. [F#m]

[F#m] Listen to the falling rain, listen to it fall,
And with ev'ry drop of rain, I can hear you [Bm] call,
Call my name right out loud, [F#m] I can hear above the clouds,
[Db7] And I'm here among the puddles, [D] you and I together huddle;
[Db7] Listen to the falling rain, listen to the [F#m] rain.
[Db7] Listen to the falling rain, listen to the [F#m] rain.
[Db7] Listen to the falling rain, listen to the [F#m] rain.
[Db7] Listen to the falling rain, listen to the [F#m] rain.
