

## Red Moon – Big Thief

[Intro]

D C G x2

### [Verse 1]

[D]Red moon rising like a [C]fire in me [G]  
So many [D]questions, she asks them [C]all to me [G]  
I have to [D]answer most [C]curiously [G]  
Scarlet [D]angel, I am too [C]small to see [G]  
[D]Earn earn, shuffle round the [C]big city [G]  
Burning the [D]rubber down, crossing the [C]hot concrete [G]  
I'm gonna [D]leave town, there is [C]someone to meet [G]  
She turns her [D]head around a full [C]three-sixty [G]  
Woo!

D C G x2

### [Verse 2]

[D]Bedroom rising from an [C]old growth [G]tree  
Bring out the [D]sawmill, cutting the [C]twelve-inch beams [G]  
Building a [D]pattern, a reservoir to [C]fill with dreams [G]  
Rings like [D]Saturn telling their [C]old stories [G]  
[D]Windmill turn and turn e[C]ternally [G]  
What do you [D]yearn for? Where do you [C]long to be? [G]  
I've been [D]here before, looking at the [C]wild country [G]  
Opening the [D]screen door, talking with [C]Diane Lee [G]  
That's my grandma!

D C G x2

### [Verse 3]

[D]Radio singing from the [C]corner of the [G]kitchen  
I got the [D]oven on, I got the [C]onions [G]wishing  
They hadn't [D]made me cry, filling the [C]sink with [G]dishes  
Letting them [D]air dry, waiting for the [C]wind's per[G]mission  
[D]Too many movies got me [C]shivering and [G]shy  
Turning the [D]lights out, glistening in the [C]owl's eye [G]  
Glimmer like [D]lightning under the [C]violet sky [G]  
Shimmer like [D]diamonds, watching the [C]red moon ri[G]se  
Ooo

[Outro]
