

Ride Me Back Home

Sonny Throckmorton (Willie Nelson) -3/4

[D] [D] [D] [D] x 2

[D] You rode into battle barebacked and saddled
You took the wound in your s[A]ide [A] [A] [A]
[Em] You pulled the sleds and [A] you pulled the wagons [A]
[A7] You gave 'em somewhere to h[D]ide [D] [D] [D]
[D] Now they don't need you and there's no one to feed you
And there's fences where you used to [G] roam [G] [G] [G]
I [G] wish I could gather up a[D]ll of your brothers
And [A] you would just [A7] ride me back [D] home [D] [D] [D]

Chorus

[G] Ride me back home to a much better place
[A] Blue skies and sunshine and plenty of space
[G] Somewhere where they would just leave you alone
[D] Somewhere that you could call [A] home [A]
And [A7] you would just ride me back [D] home [D] [D] [D]

[D] [D] [D] [D]

[D] I got a small place up in the foothills
Where green grass is precious as [A] gold [A] [A] [A]
[Em] I paid a fortune for what lit[A]tle I got here[A]
But [A7] you know that I'd sell my [D] soul [D] [D] [D]
To [D] have all the mountains, the rivers and valleys
The places where you need to [G] roam [G] [G] [G]
And [G] I would just gather up a[D]ll of your brothers
And [A] you would just [A7] ride me back [D] home [D] [D] [D]

Chorus x 2

[G] Ride me back home to a much better place
[A] Blue skies and sunshine and plenty of space
[G] Somewhere where they would just leave you alone
[D] Somewhere that you could call [A] home [A]
And [A7] you would just ride me back [D] home [D] [D] [D]
