

# A River Runs Through My Heart

Broderick Smith

Capo #3 (It's in Eb)

[G] I [D] saw her once [Em] again, walking [Bm] through a courtyard,  
 [C] She turned a [G] round and called my [D] name  
 [G] I was [D] so surprised, [Em] she caught me [Bm] off guard,  
 [C] The years rolled [G] back and I hid my [D] shame

[G] She wore a [D] summer dress [Em] that could make you [Bm] cry,  
 [C] We stood and [G] talked like old lovers [D] do  
 [G] Crimson ro-[D]-sellas [Em] splashed [Bm] across the sky  
 [C] Like little [F] rainbows in the [C] blue

[F] Against the [C] deep sad [G] strum [C] of my gut [F] guitar  
 She would [C] read her [G] book, on a [C] boat on the water  
 [F] Wear an [C] old straw [G] hat [Em] to protect her [C] skin  
 She'd wanna [D] make love in the [G] rain [F]  
 [C] She'd wanna [D] make love in the [G] rain

[G] Down a [D] winding [Em] road, [Bm] near a white cross  
 [C] Nailed to a [G] tree with a father's [D] love  
 [G] We strolled [D] into the woods, [Em] lay up [Bm] on the moss,  
 [C] Sheltered by [F] branches up [C] above

[F] Against the [C] deep sad [G] strum [C] of my gut [F] guitar  
 She would [C] read her [G] book, on a [C] boat on the river  
 [F] Wear an [C] old straw [G] hat [Em] to protect her [C] skin  
 She'd wanna [D] make love in the [G] rain [F]  
 [C] She'd wanna [D] make love in the [G] rain

[Em] A river runs through my [C] heart  
 [Em] A river runs through my [C] heart  
 [Em] A river runs through my [C] heart  
 [Em] A river runs through my [C] heart

[G] I'll meet you [D] under those great [Em] trees  
 Where the [Bm] river runs through my [C] heart  
 [G] Innocence is [D] gold  
 [G] [D] [Em]

Where the [Bm] river runs through my [C] heart [G] [D] [D] [G]
