

See My Baby Jive Wizzard

[C] [C] [F] [G]

Look [C] out! look out! your [Dm] momma will shout
You [G] might as well go [C] home
She [C] said "my beard gets [Dm] into her hair
So [G] give me back my [C] comb"
But [Fmaj7] you---you make things that get a-[E7]-long
Turn [Am //] out [D //] so [G] wrong [G7]
Doo [C] ron, doo ron you'd [Dm] better rock on
The [G] band might play our [C //] song [Bm //] [A //]

Chorus: [N.C.] See my [D] baby jive see my [G] baby jive
she [D] hangs onto me and she [Bm] really goes
wo-[Em]-oh wo-oh wo-[A]-oh
see my [D] baby jive such a [G] lazy jive
well every [D] one you meet coming [C] down the street
just to [Em //] see my [A //] baby [D] jive [G !! - ^!]

That [C] tenor horn is [Dm] turning me on,
He's [G] dropped down to his [C] knees
Oh [C] boy that sax is [Dm] calling me back
This [G] dog ain't got no [C] fleas
But [Fmaj7] you - you dance all the guys up [E7] town----
In-[Am //]-to [D //] the [G] ground [G7]
Doo [C] ron, doo ron you'd [Dm] better rock on
The [G] band might play our [C //] song [Bm //] [A //]

Repeat CHORUS

Too [C] bad, your nag is [Dm] driving me mad
The [G] top's down on my [C] car
I [C] don't suppose that [Dm] everyone knows
Ex-[G]-actly who you [C] are
But [Fmaj7] you---you make things that get a-[E7]-long
Turn [Am //] out [D //] so [G] wrong [G7]
Doo [C] ron, doo ron you'd [Dm] better rock on
The [G] band might play our [C //] song [Bm //] [A //]

Repeat CHORUS x 2

then [D !]
