

Song And Dance Man

Mike McClellan

I'm [C]used to living' by myself
[G]Always on the road
[F]making' light of [G]other peoples [C]woes
I [C]don't need to take much more
than [G]just a song or two
Even a [F]smile can [G]help me lift the [C]load

I'm [C]just a song and dance man going from town to town
Playing [F]one night shows and [G]country rode-[C]os
I'm [C]just a song and dance man, living' on a smile
I share your [F]laughter [G]anywhere I [C]go.

I [C]don't care to much for cities
I ain't [G]seen one I'd call home
the [F]only dust they've [G]got there's just plain [C]dirt
And [C]no-one takes you in
unless they [G]want you off the streets
I get the [F]feeling some folks
[G]fear a smile might [C]hurt

I'm [C]just a song and dance man going from town to town
Playing [F]one night shows and [G]country rode-[C]os
I'm [C]just a song and dance man, living' on a smile
I share your [F]laughter [G]anywhere I [C]go.

I [Am]gave up looking for answers a [G]long long time ago
[F]life's just taking [C]chances, [F]ask any [C]dancer
[C/B]one foot [Am>wrong and it's over [D7/F#]done [G] [G/B]

I [C]won't ask much of your time
all that [G]you recall my name
[F]fame is just a [G]momentary [C]curse
But [C]if you recall a song or two
that [G]lingers when I'm gone
then I [F]guess a song and [G]dance man [C]could do worse.

I'm [C]just a song and dance man going from town to town
Playing [F]one night shows and [G]country rode-[C]os
I'm [C]just a song and dance man, living' on a smile
I share your [F]laughter [G]anywhere I [C]go.
