The summer wind, came blowin' in

From across the sea

All summer long we sang a song

And then we strolled that golden sand

D

Em

A D

Two sweethearts and the summer wind

[Verse 2]

Like painted kites, those days and nights,

Em

They went flyin' by

The world was new beneath a blue umbrella sky

Then softer than a piper man

G **Em**

One day it called to you

D **Em** **A** **D**

I lost you, I lost you to the summer wind

[Verse 3]

E

The autumn wind and the winter winds,

F#m

They have come and gone

And still the days, those lonely days, they go on and on

And guess who sighs his lullabies

A **F#m**

Through nights that never end

E **F#m** **B** **E**

My fickle friend, the summer wind

[Ending]

The summer wind

Warm summer wind

Mmm, the summer wind
