C
You get up every morning

Bb
From your 'larm clock's warning

Take the 8:15 into the city

C
There's a whistle up above

And people pushin', people shovin'

F C
And the girls who try to look pretty

And if your train's on time

Bb
You can get to work by nine

F C
And start your slaving job to get your pay

C
If you ever get annoyed

Bb
Look at me, I'm self-employed

F C
I love to work at nothin' all day

And I'll be

Takin' care of business (every day)

Takin' care of business (every way)

C Bb
I've been takin' care of business (it's all mine)

F C

Work out

C Bb F C (x2) (with guitar riff)

If it were ^C easy as fishin'
You could be a musician,
If you could make sounds loud or mellow
Get a second-hand guitar
Chances are you'll go far
If you get in with the right bunch of fellows
People see you having fun
Just a-lying in the sun
Tell them that you like it this way
It's the work that we avoid
And we're all self-employed
We love to work at nothin' all day
And we be

^C Takin' care of business (every day)
^F Takin' care of business (every way)
^C We be takin' care of business (it's all mine)
^F Takin' care of business and workin' overtime
