[G] [G]

[G] Used to spend my nights at a [Am] barroom
[C] Liquor was the only love I've [G] known [C] [G]
[G] But you rescued me from reaching for the [Am] bottom
And brought me [C] back from [D] being too far [G] gone [C] [G]

[G] You're as smoooooth, as Tennessee [Am] whiskey
You're as [C] sweeeeeet as strawberry [G] wine [C] [G]
[G] You're as waaaarrrrm as a glass of [Am] brandy
And honey I stay [C] stoned on your [D] love all the [G] time [C] [G]

[G] I've looked for love in all the same old [Am] places
[C] Found the bottom of the bottle's always [G] drrryyy [C] [G]
[G] But when you poured out your heart I didn't [Am] waste it
Cause there [C] nothing like your [D] love to get me [G] hiiiiiggh.
