

The Last Resort  
Eagles

[E]She came from [A]Providence, [B]the one in Rhode [E]Island  
[E]Where the old world [A]shadows hang, [B]heavy in the [E]air  
[E]She packed her [A]hopes and dreams, [B]like a [E]refugee  
[E]Just as her [A]father came, [B]across the [E]sea

[E]She heard [A]about a place, [B]people were [E]smiling  
[E]Spoke about the [A]red man's ways, [B]how they loved the [E]land  
[E]They came from [A]everywhere, [B]to the Great [E]Divide  
[E]Seeking a [A]place to stand, [B]or a place to [E]hide

[E]Down by the [A]crowded bars, [B]out for a good [E]time  
[E]Cant wait to [A]tell you all, [B]what its like up [E]there  
[E]They called it [A]paradise, [B]I dont know [E]why  
[E]Somebody laid the [A]mountains low, [B]while the town got [E]high

[E][A] [E][A] [E][B7][E][E]

[E]And then the chilly [A]winds blew down, [B]across the [E]desert  
[E]through the canyons [A]of the coast, [B]to the [E]Malibu  
[E]Where the pretty [A]people play, [B]hungry for [E]power  
[E]To light their [A]neon ways, [B]give em things to [E]do

[E]Some rich man came and [A]raped the land, [B]nobody caught [E]em  
[E]put up a bunch of [A]empty boxes and [B]Jesus people bought [E]em  
[E]They called it [A]paradise, [B]the place to [E]be  
[E]They watched the [A]hazy sun, [B]sinking in the [E]sea

[G][C] [G][C] [G][D] [G][C] [G][G] (8 times if lead break else once)

[G]We can leave it [C]all behind, [D]and sail to [G]Lahaina  
[G]Just like the [C]missionaries did, [D]so many years [G]ago  
[G]They even bought a [C]neon sign, [D]"Jesus is [G]coming"  
[G]Bought the white man's [C]burden down, [D]bought the white man's  
[G]reign

[G]Who will provide the [C]grand design, [D]what is yours and [G]what is  
mine

[G]cause there is no more [C]new frontier, [D]we have got to [G]make it here  
[G]We satisfy our [C]endless needs, [D]and justify our [G]bloody deeds  
[G]In the name of [C]destiny, [D]and in the name of [G]God

[G]And you can [C]see them there, [D]on Sunday [G]morning  
[G]They stand up and [C]sing about, [D]what its like up [G]there  
[G]They called it [C]paradise, [D]I don't know [G]why  
[G]Call someplace [C]paradise, [D]kiss it [G]goodbye.
