

# Til Summer Comes Around Keith Urban

Capo 3 (Cm)

[Am] [F] [G] [G] [x 3]

[Am] Another long [F] summer's come and [G] gone,  
[Am] I don't know [F] why it always [G] ends this way,  
[Am] The boardwalk's [F] quiet and the carnival [G] rides,  
are as empty as my [F] broken heart.... to-[G] -night,

**Chorus:** But I [F] close my eyes and [C] one more time,  
I'm spinnin' a-[G] -round and you're holding on tightly,  
The [F] words came out, I [C] kissed your mouth,  
No [G] 4th of July has ever burned so brightly,  
You [F] had to go, I [C] understand,  
But you [G] promised you'd be back again  
And so I wander [F] round this town, [G]  
Til summer comes a-[Am] -round. [F] [G] [G]

[Am] [F] [G] [G]

[Am] I got a job [F] workin' at the old park [G] pier,  
[Am] And every [F] summer now for [G] five long years,  
[Am] I grease the gears, fix the lights, [F] tighten bolts, straighten the  
[G] tra-acks,  
And I count the days til [F] you just might... come [G] back,

**Rrepeat Chorus**

[Am] [F] [G] [G] x 3

Oh Then I [F] close my eyes and [C] you and I,  
Stuck on the [G] ferris wheel rockin' with the motion,  
And [F] hand in hand we [C] cried and laughed,  
Knowin' that the [G] earth belonged to us, girl, if only for a moment,  
[F] Baby I'd be [C] back again, you [G] whispered in my ear,  
But now the winter wind is the [F] only sound, [G]  
And everything is [F] closin' down, [G]  
Til summer comes ar-[Am] -ound. [F] [G] [G]

Til summer comes ar-[Am] -ound. [F] [G] [G]

[Am] [F] [G] [G] [Am !]
