Well [E] I left Oklahoma, [E] driving in a Pontiac
 [E] Just about to lose my [B7] mind
 I was [B7] going to Arizona, maybe [B7] on to California
 Where the [B7] people there all live so [E] fine

My [E] mother said I'm crazy, my [E] baby calls me lazy
 [E] Gonna show them all this [B7] time
 'Cause you [B7] know I ain't no fool, I don't [B7] need no modern school
 I was [B7] born to just walk the [E] line

[E] Living on Tulsa [E] time
 [E] Living on Tulsa [B7] time
 Gonna [B7] set my watch back to it
 'Cause you [B7] know that I've been through it
 [B7] Living on Tulsa [E] time

[E] [E] [E] [B7] [B7] [B7] [B7] [E]

So there I [E] was in Hollywood Thinking [E] I was doing good
 [E] Talking on a telephone [B7] line
 They don't [B7] want me in the movies
 And no-[B7] -body sings my songs
 My [B7] Mama says my baby's doing [E] fine

So [E] then I got to thinking [E] Man, I'm really sinking
 And I [E] really had a flash this [B7] time
 I [B7] had no business leaving And [B7] nobody would be grieving
 If [B7] I went back to Tulsa [E] time

[E] Living on Tulsa [E] time
 [E] Living on Tulsa [B7] time
 Gonna [B7] set my watch back to it
 'Cause you [B7] know that I've been through it
 [B7] Living on Tulsa [E] time

[E] Living on Tulsa [E] time
 [E] Living on Tulsa [B7] time
 Gonna [B7] set my watch back to it
 'Cause you [B7] know that I've been through it
 [B7] Living on Tulsa [E] time

[E] [E] [E] [B7] [B7] [B7] [B7] [E !]
