

# Waved my heart all about P Jones

I spoke [D] twelve words [C] all that night  
[D] Eight to the bartender

[C] four to the guy at the door [D] [Dsus4] [D] [Dsus2] [D]  
You [Am] brushed on by all the [C] beasts hung around  
They had [Am] one thing in mind but I was [C] different  
[Am] Making you notice [C] me was the easiest part .... [G]

**CHORUS** I simply... [G] Jumped up on the [C] table,  
[G] waved my heart all [C] about  
[G] Screamed out a-[C] -cross the floor:  
[D] Hey girl come [Dsus2] on, [D] Hey girl come [Dsus2] on  
[D] Hey girl come on and [G] dance.  
[G] Swung down from the [C] chandelier  
[G] Leaped and danced all [C] about  
[G] No one could be-[C] -lieve their eyes  
as we [D] danced to the old [Dsus2] "Twist .... "  
[D] danced to the old "[Dsus2] Twist .... "  
[D] danced to the old "[Dsus2] Twist and [G] Shout "

You [G] could have knocked me [C] back girl  
[G] Could have leapt from the [C] floor  
[G] You could have [C] turned and ran  
[D] Instead you [Dsus2] danced more  
[D] Instead you [Dsus2] danced more  
[D] Instead you [Dsus2] danced more and [G] more

## BRIDGE

Well I [Em] don't know what got [C] into me that [G] night  
[Em] All I know is that [C] you were the best [Am] thing to ever come my  
[G] way  
I [Em] just had to [C] romance with [Am7] you  
[Em] Take a little [C] chance with [Am7] you  
[Em] Just had to [C] dance [D] with [G] you.

## REPEAT CHORUS then Instrumental over BRIDGE

That's when I .....

...[G] Jumped up on the [C] table, [G] waved my heart all [C] about  
[G] Screamed out a-[C] -cross the floor:  
[D] Hey girl come [Dsus2] on,  
[D] Hey girl come [Dsus2] on  
[D] Hey girl come on and [G] dance.
