

Whole Wide World

Wreckless Eric

[E] [A] [E] [A]

[E] When I was a [A] young boy
My [E] mama said to [A] me
There's [E] only one girl in the [A] world for you
And she [E] probably lives in Ta-[A]-hiti

I'd go the [E] whole wide world
Just to [A] find her [A]

I'd go the [E] whole wide world
[E] [A]

Or [E] maybe she's in the [A] Bahamas
Where the [E] Carribean sea is [A] blue
[E] Weeping in a tropical [A] moonlit night
Because [E] nobody's told her 'bout [A] you

I'd go the [E] whole wide world
Just to [A] find her

I'd go the [E] whole wide world

I'd go the [E] whole wide world
To find [E] out where they [A] hide her

I'd go the [E] whole wide world

I'd go the [E] whole wide world
Just to [A] find her [A]

I'd go the [E] whole wide world
[E] [A] [E] [A]

Why am I [E] hanging around in the [A] rain out here
[E] Trying to pick up a [A] girl
Why are my [E] eyes filling up with these [A] lonely tears
When there're [E] girls all over the [A] world

Is she [E] lying on a tropical [A] beach somewhere
[E] Underneath the tropical [A] sun
[E] Pining away in a [A] heatwave there
[E] Hoping that I won't be [A] long

I should be [E] lying on that sun-soaked [A] beach with her
[E] Caressing her warm brown [A] skin
And [E] then in a year or [A] maybe not quite
We'll be [E] sharing the same next of [A] kin

I'd go the [E] whole wide world
Just to [A] find her

I'd go the [E] whole wide world

I'd go the [E] whole wide world
To find [E] out where they [A] hide her

I'd go the [E] whole wide world

I'd go the [E] whole wide world
Just to [A] find her

I'd go the [E] whole wide world

I'd go the [E] whole wide world
To find [E] out where they [A] hide her

I'd go the [E] whole wide world

[E] [A] [E] [A] [E]
