

Youngblood 5 Seconds Of Summer

Re-[Em]-member the words you told me [D]love me till the [G]day I [C]die [D]
 Sur-[Em]-render my everything cause [D]you made me be-[G]-lieve you're [C]mine [D]
 Yeah [Em]You used to call me baby, [D]now you calling [G]me by [C]name [D]
 [Em]Takes one to know one, yeah you [D]beat me at my [G]own damn [C]game [D]

You [C]push and you push and I'm pulling away [D]Pulling away from you
 I [Em]give and I give and I give and you take [G]Give and you take

Young [Em]blood say you want me say you [D]want me [G]out of your [C]life
 And I'm just a dead man [D]walking to-[Em]-night
 But you need it, yeah you [D]need it [G]all of the [C]time Ohh Ohh

Young [Em]blood say you want me say you [D]want me [G]back in your [C]life
 So I'm just a dead man [D]crawling to-[Em]-night
 Cause I need it, yeah I [D]need it [G]all of the [C]time Ohh Ohh

[Em]Lately our conversations [D]end like it's our [G]last good-[C]-bye [D]
 Yeah, [Em]one of us gets too drunk and [D]calls about a [G]hundred [C]times [D]
 So [Em]who you been calling baby [D]nobody could [G]take my [C]place [D]
 When [Em]you're looking at those strangers [D]hope to God you [G]see my [C]face [D]

Young [Em]blood say you want me say you [D]want me [G]out of your [C]life
 And I'm just a dead man [D]walking to-[Em]-night
 But you need it, yeah you [D]need it [G]all of the [C]time Ohh Ohh

Young [Em]blood say you want me say you [D]want me b[G]ack in your [C]life
 So I'm just a dead man [D]crawling to-[Em]-night
 Cause I need it, yeah I [D]need it [G]all of the [C]time Ohh Ohh

You [Em]push and you push and I'm pulling away [D]pulling away from you
 I [C]give and I give and I give and you take, [D]give and you take
 You're [Em]running around and I'm running away [D]running away from [C]you

Mmmm.. from you

Young [Em]blood say you want me say you [D]want me [G]out of your [C]life
 And I'm just a dead man [D]walking to-[Em]-night
 But you need it, yeah you [D]need it [G]all of the [C]time Ohh Ohh

Young [Em]blood say you want me say you [D]want me b[G]ack in your [C]life
 So I'm just a dead man [D]crawling to-[Em]-night
 Cause I need it, yeah I [D]need it [G]all of the [C]time Ohh Ohh

You [Em]push and you push and I'm pulling away [D]pulling away from you
 I [C]give and I give and I give and you take, give and you [D]take

Young [Em]blood say you want me say you [D]want me [G]out of your [C]life
 And I'm just a dead man [D]walking to-[Em]-night
